The Perfect Father's Day Gift!

The *Top Tips* section of Viz's letters page has long been one of the most popular parts of the magazine. *Top of the Tips* brings together the

best handy hints sent in by readers over the last thirty years.

The hilarious, tried-and-tested solutions to over a thousand problems that never needed solving in the first place are all collected here for the first time. So, if you've ever wondered how to find out how many lives your cat's got left, what you can use as a toast rack for Ritz crackers, or whether there's an easy way to fool your postman into believing you've just vomited, this is the book you've been waiting for.

FIND out how many of your cat's lives are remaining by hitting it repeatedly with a mallet. The number of strokes required to bring about its demise will correspond with the number of lives that remained.
